Come and join us

This Meeting's Talk

Portsmouth Royal Dockyard

'A Moment in Time'

An illustrated
Talk
by
Nigel Linger

A historical document, likely a ledger or account book, showing financial records from the Portsmouth Dockyard. The document is handwritten and contains columns for 'Particulars', 'Amount', and 'Total'. The text is written in cursive and includes various entries such as 'To the Account of the Dockyard', 'To the Account of the Dockyard', and 'To the Account of the Dockyard'. The document is tilted and appears to be a page from a larger book or ledger.
